Pursuant to the Law on Organization of Local Government dated June 19, 2015; the Law Amending and Supplementing a Number of Articles of the Law on the Government Organization and the Law on the Organization of Local Government dated November 22, 2019;

Pursuant to the Law on Promulgation of Legal Documents dated June 22, 2015, and the Law Amending and Supplementing a Number of Articles of the Law on Promulgation of Legal Documents dated June 18, 2020;

Pursuant to the Law on State Budget dated June 25, 2015;

Pursuant to Decree No. 163/2016/ND-CP dated December 21, 2016 of the Government detailing the implementation of a number of articles of the Law on State Budget;

Pursuant to Circular No. 75/2021/TT-BTC dated September 09, 2021 of the Minister of Finance, providing regulations on financial management for the implementation of the Intellectual Property Development Program up to 2030;

Considering Submission No. 233/TTr-UBND dated December 12, 2021 of the City People's Committee on the promulgation of the Resolution regulating the level of support for the registration and protection of intellectual property up to 2030 within Da Nang City; the Verification Report No. 114/BC-HDND dated December 14, 2021 of the Economic and Budget Committee of the City People's Council; and the opinions expressed during the discussions by delegates of the City People's Council at the session.

HEREBY RESOLVES:

Article 1. Scope of regulation

This Resolution stipulates the levels of support for the registration and protection of inventions, industrial designs, and trademarks; and for the registration, protection, and recognition of new plant varieties under the Intellectual Property Development Program up to 2030 within Da Nang City.

Article 2. Subjects of application

1. Agencies, organizations, and individuals participating in the management and implementation of the Intellectual Property Development

Program up to 2030 within Da Nang City, and other relevant agencies, organizations, and individuals.

2. With respect to support for domestic and international registration of industrial property rights for priority supporting-industry products implemented under policies for the development of supporting industries within Da Nang City, such support shall not be financed from the City's science and technology recurrent expenditure budget.

Article 3. Levels of support for the registration and protection of inventions, industrial designs, and trademarks; and for the registration, protection, and recognition of new plant varieties

1. Domestic registration and protection

- For applications for protection of inventions and for registration, protection, and recognition of new plant varieties: VND 30 million per application (in cases where a decision accepting the application as valid has been issued).

For applications for protection of industrial designs and trademarks: VND 15 million per protection title.

2. Foreign registration and protection

For applications for protection of inventions, industrial designs, and trademarks; and for registration, protection, and recognition of new plant varieties: VND 60 million per application accepted as valid, together with the corresponding documents as required by the relevant international organization or the country where the application is filed.

Article 4. Funding sources

Funds shall be allocated from the state budget, included in the City's annual estimates for science and technology recurrent expenditures.

Article 5. Principles for support and use of funds from the state budget

1. Support shall be provided in accordance with the principles of openness, transparency, equality, and non-duplication.

2. No support shall be provided for intellectual property objects that have already received support from the state budget. In cases where an organization, individual, or enterprise is eligible for support under multiple intellectual property protection support policies, the beneficiary may choose the policy with the highest level of support.

Article 6. Organization of implementation

1. The City People's Committee shall organize the implementation of this Resolution in accordance with the provisions of law.

2. The Standing Committee of the People's Council, its committees, delegations, and deputies of the City People's Council shall supervise the implementation of this Resolution.

3. Other matters related to support for the registration and protection of inventions, industrial designs, and trademarks; and for the registration, protection, and recognition of new plant varieties within the City that are not stipulated in this Resolution shall be implemented in accordance with Circular No. 75/2021/TT-BTC dated September 09, 2021 of the Minister of Finance, providing regulations on financial management for the implementation of the Intellectual Property Development Program up to 2030;

This Resolution was adopted by the People's Council of Da Nang City, Term X, 2021–2026, the 4th Session on December 17, 2021 and shall take effect from January 01, 2022.
